11 CHILLOUT WITH JESSICA MAUBOY AND RECORD YOUR OWN SINGLE

Jessica Mauboy is Australia's pop goddess. Her debut studio album, 'Been Waiting', achieved double platinum status, scored seven ARIA nominations and spawned six hit singles including the number one 'Burn'. She worked with Snoop Dog and Jay Sean on her second studio album, Get Em Girls which included tracks from Madonna, Beyonce and Michael Jackson's producers and writers. Her track, Galaxy, with Stan Walker has achieved platinum sales.

You'll personally meet Jessica at Sony Music studios for a special preview of her yet to be released third album. But that's not all; you'll fly to Melbourne, stay at the Crown Metropol and walk the red carpet at the premiere of her new movie, The Sapphires in early August.

But wait there is more. Hit City Studios who have worked with Jessica to Gwen Stefani, to Foo Fighters and all the recent X-Factor artists are offering you the opportunity to record your single @ Hit City Studios. Meet with the writing and engineering teams including Producer Greg Stace and then have the track mixed and record your very own single. You never know, you could be the next Jessica Mauboy.
